Subject: Subpoena received from, *The Highest Court Of The Raging Main,
The Domain Of Imperium Neptuni Regis
Equatoria*

Delivered by: Gunny D. Bressler

It is with deep regret that I inform you that I will not be able to be present at *The Royal Court of the Domain of Imperium Neptuni Regis, State of the Raging Main, Equatoria*, on 01 June 1998, I have subrogated my representation to Robert F. Eberlein.

This character, err....I mean, his character being of worthy sea legs and sea stories. He will accept any and all retribution for my transgressions.

I am on bended knee, being the prosaic airmen of the wild blue yonder that I am, and not a noble service man of the oceans, beseeching his most impervious transcendent *Neptuniz Rex* to see clear in his most perpetual wisdom to grant this undeserving land lubber the proper authority to continue operating the Naval Ships Website. So that the hundreds, nee, thousands of former crewmembers, spouses and other interested parties may receive the enjoyment of browsing the site.

I would consider it an eminent honor, if your excellences', with the judicious advice of the crewmembers assembled, made me an honorary crewmember of the USS NITRO.
